Overview

Mission: Pine Mountain Property Owners Association, Inc. is dedicated to the safety and well-being of all residents while offering a uniquely challenging, family oriented, golf experience to all guests and members.

The Pine Mountain Employee Handbook has been developed to provide general guidelines about our policies and procedures for employees. It's a guide to assist you in becoming familiar with some of the privileges and obligations of your employment including our policy of voluntary at-will employment. None of the policies or guidelines within this handbook are intended to give rise to contractual rights or obligations, or to be construed as a guarantee of employment for any specific period of time, or any specific type of work. Additionally, with the exception of the voluntary at-will employment policy, these guidelines are subject to modification, amendment or revocation by Pine Mountain POA, Inc.'s Board of Directors at any time, without advance notice.

Pine Mountain POA, Inc. (PMPOA) will provide each individual a copy of this Employee Handbook upon employment. All employees are expected to abide by it. The highest standards of personal and professional ethics and behavior are expected of all PMPOA employees. Further, PMPOA expects each employee to display good judgment, diplomacy and courtesy in their professional relations with PMPOA Members and the general public.

III. Voluntary At-Will Employment

Unless an employee has a written employment agreement with PMPOA, which provides differently, all employment at Pine Mountain is “at-will.” That means that employees may be terminated from employment with Pine Mountain POA, Inc. with or without cause. Any representation by any PMPOA Board Member or employee contrary to this policy is not binding upon PMPOA unless it is in writing and is signed by the President of the Board of Directors with the approval of the Board.

IV. Equal Employment Opportunity

Pine Mountain POA, Inc. shall follow the spirit and intent of all federal, state and local employment law and is committed to equal employment opportunity. To that end, the Board of Directors of PMPOA will not discriminate against any employee or applicant in a manner that violates the law. PMPOA is committed to providing equal opportunity for all employees and applicants without regard to race, color, religion, national origin, sex, age, marital status, sexual orientation, disability, political affiliation, personal appearance, family responsibilities, matriculation or any other characteristic protected under federal, state or local law. Each person is evaluated on the basis of personal skill and merit. PMPOA’s policy regarding equal employment opportunity applies to all aspects of employment, including recruitment, hiring, job assignments, promotions, working conditions, scheduling, benefits, wage and salary administration, disciplinary action, termination, and social, educational and recreational programs. The President of the Board of Directors shall act as the responsible agent in the full implementation of the Equal Employment Opportunity policy.

Pine Mountain POA, Inc. will not tolerate any form of unlawful discrimination. All employees are expected to cooperate fully in implementing this policy. In particular, any employee who believes that any other employee of PMPOA may have violated the Equal Employment Opportunity Policy should report the possible violation to the President of the Board.

If Pine Mountain POA, Inc.’s Board of Directors determines that a violation of this policy has occurred, they will take appropriate disciplinary action against the offending party, which can include counseling, warnings, suspensions and termination. Employees who report, in good faith, violations of this policy and employees who cooperate with investigations into alleged violations of this policy will not be subject to retaliation. Upon completion of the investigation, the Board of Directors will inform the employee who made the complaint of the results of the investigation.

PMPOA is committed to complying fully with applicable disability discrimination laws and ensuring that equal opportunity in employment exists at Pine Mountain POA, Inc. for qualified persons with disabilities. All employment practices and activities are conducted on a non-discriminatory basis. Reasonable accommodations will be available to all qualified disabled employees, upon request, so long as the potential accommodation does not create an undue hardship on the mission and services provided to Pine Mountain POA's Members, guests, customers and other employees.

V. Policy Against Workplace Harassment

PMPOA is committed to providing a work environment for all employees that is free from sexual harassment and other types of discriminatory harassment. Employees are expected to conduct themselves in a professional manner and to show respect for their co-workers.

PMPOA is committed to providing a work environment that is free of discrimination and unlawful harassment. Actions, words, jokes, or comments based on an individual's sex, race, ethnicity, age, religion, or any other legally protected characteristic will not be tolerated. As an example, sexual harassment (both overt and subtle) is a form of employee misconduct that is demeaning to another person, undermines the integrity of the employment relationship, and is strictly prohibited.

Any employee who wants to report an incident of sexual or other unlawful harassment should promptly report the matter to his or her supervisor. If the supervisor is unavailable or the employee believes it would be inappropriate to contact that person, the employee should immediately contact the President of Pine Mountain POA, Inc. Board of Directors.

Depending on the circumstances, the following conduct may constitute discriminatory harassment: (1) epithets, slurs, negative stereotyping, jokes or threatening, intimidating, or hostile acts that relate to race, color, gender, religion, sexual orientation, age, national origin, or disability; and (2) written or graphic material that denigrates or shows hostility toward an individual or group because of race, color, gender, religion, sexual orientation, age, national origin, or disability and that is circulated in the workplace, or placed anywhere in/on PMPOA's premises such as on an employee's desk or workspace or on any of PMPOA's equipment or notice boards.

It is also against PMPOA's policy to retaliate against an employee for filing a complaint of discriminatory harassment or for cooperating in an investigation of a complaint of discriminatory harassment.

Any supervisor or manager who becomes aware of possible sexual or other unlawful harassment should promptly advise any member of PMPOA's Board of Directors who will handle the matter in a timely and confidential manner. Anyone engaging in sexual or other unlawful harassment will be subject to disciplinary action, up to and including termination of employment. Discriminatory or harassing behavior from a PMPOA Member will also be addressed by the Board of Directors. Employees should not be subject to any form of harassing behavior from coworkers, members of management or members of PMPOA.

VI. Attendance and Punctuality

To maintain a safe and productive work environment, PMPOA expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and Pine Mountain POA, Inc. as a whole. In the rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they should notify their supervisor as soon as possible in advance of the anticipated tardiness or absence. Poor attendance and excessive tardiness are disruptive. Either may lead to disciplinary action, up to and including termination of employment.

VII. Time Keeping

Federal and state laws require PMPOA to keep an accurate record of time worked to calculate employee pay and benefits. Time worked is all the time spent on the job performing assigned duties.

It is the employees' responsibility to ensure their time cards reflect the accuracy of all time recorded. The supervisor will review all timecards for accuracy before submitting it for payroll processing. In addition, if corrections or modifications are made to the time record, both the employee and the supervisor must verify the accuracy of the changes and initialize the time record.

Supervisors should verify all timecard records subordinate employees worked, as well as any sick time, personal time or vacation time used. They should also insure recorded time worked of any split shift or departure from work for personal reasons. Overtime work must always be pre-approved before it is performed.

Altering, falsifying, tampering with time records, or recording time on another employee's time record may result in disciplinary action, up to and including termination of employment.

VIII. Overtime

Overtime pay for non-recreational hourly employees is based on hours worked over 40 hours and for recreational employee's overtime pay is based on hours worked over 45 hours. Hours worked over either situation will be paid at 1 ½ times the employee's hourly rate. Payment of overtime will be provided in the pay period following the period in which it is earned. Only the Board of Director's President or their designee, upon the request of an employee's supervisor, may authorize overtime.

X. Hiring of Relatives

The employment of relatives in the same area of an organization may cause serious conflicts and problems with favoritism and employee morale. In addition to claims of partiality in treatment at work, personal conflicts from outside the work environment can be carried into day-to-day working relationships.

Although PMPOA has no prohibition against hiring relatives of existing employees, we are committed to restricting situations in which relatives are allowed to work in the same area. In case of actual or potential problems, PMPOA's Board of Directors will take prompt action. This can and will include reassignment or, if necessary, termination of employment for one or both individuals involved.

Approved salary deductions may include: federal and state income taxes, social security, Medicare, and state disability insurance and/or other benefits.

XII. Work Review/Performance Evaluation

Formal performance evaluations are conducted to provide both supervisors and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals. These evaluations also form the basis for staff development and training for the next year.

Annual performance reviews are a formal opportunity for the supervisor and employee to exchange ideas that will strengthen their working relationship, review the past year and anticipate Pine Mountain POA's needs in the coming year. The purpose of the review is to encourage the exchange of ideas in order to create positive change within Pine Mountain POA. To that end, it is incumbent upon both parties to have an open and honest discussion concerning the employee's performance, the areas needing attention/assistance and any other information that can be of benefit to both the employee and Pine Mountain POA. It is further incumbent upon the supervisor to clearly communicate the expectations of the employee in contributing to the success of Pine Mountain POA for the coming year.

Both the supervisor and employee should attempt to arrive at an understanding regarding the goals and objectives to achieve/strive for in the coming year. Once completed, both parties will sign the performance review that will be kept as part of the employee's personnel record and used as a guide during the year to monitor the employee's progress relative to the agreed upon objectives.

The Board of Directors President reviews the work of all supervisors. Work reviews for all other staff are the responsibility of the appropriate supervisor.

- part-time hourly employees will receive their holiday pay based on their hired work schedule.

For purposes of computing all benefits, the employee's first employment year will be prorated and thereafter the PMPOA Fiscal Year will be used for computing annual paid benefits.

It is PMPOA policy that the above benefits be provided in writing to all employees to become effective immediately upon the board's approval. For purposes of computing all benefits, that after the employee's first employment year, the Fiscal Year to be used for computing annual paid benefits.

Any time off (vacation, sick days or personal time off) that is not verified by the PMPOA Office and pre-approved through the Board of Directors will be considered personal time off without pay.

XV. 90-Day Probationary - New Hires

It is PMPOA's policy that each new employee be hired on a 90-day probationary period. During those 90 days each supervisor should make every effort to see that the employee is properly trained. At the end of the probationary period, the supervisor and Board President will sit down with the new employee and evaluate their performance. Any consideration for any pay increases after the 90-day probation will have to be approved by the Board as part of the hiring agreement. Each year, thereafter, each employee, including supervisors, shall receive a yearly evaluation. Supervisors will be evaluated by the Board President and another Board member.

XVI. Progressive Discipline

When Pine Mountain is in a position on administering equitable and consistent discipline for unsatisfactory conduct in the workplace. The best disciplinary measure is the one that does not have to be enforced and comes from good leadership and fair supervision at all employment levels.

Although employment with PMPOA is based on mutual consent and both the employee and Pine Mountain, PMPOA has the right to terminate employment at will, with or without cause or advance notice, the Board of Directors may use progressive discipline at its discretion.

Disciplinary action may call for any of four steps: verbal warning; written warning, suspension with pay; written warning suspension without pay; or termination of employment, depending on the severity of the problem and the number of occurrences. There may be circumstances when one or more steps are bypassed.

Note: Progressive discipline steps may be utilized for policy violations for the same or different offenses.

Progressive discipline means that, with respect to most disciplinary problems, these steps will normally be followed:

- First offense may call for a verbal warning;
- Next offense may be followed by a written warning;
- Another offense may lead to a suspension; and,
- Still another offense may then lead to termination of employment.

PMPOA recognizes that there are certain types of employee problems that are serious enough to justify either a suspension, or, in extreme situations, termination of employment, without going through the usual progressive discipline steps.

XVII. Problem Resolution

PMPOA is committed to providing the best possible working conditions for its employees. Part of this commitment is encouraging an open and frank atmosphere in which any problem, complaint, suggestion, or question receives a timely response from PM Board of Directors. Pine Mountain strives to ensure fair and honest treatment of all employees. Supervisors and employees are expected to treat each other with mutual respect. Employees are encouraged to offer positive and constructive criticism.

If employees disagree with established rules of conduct, policies, or practices, they can express their concern through the problem resolution procedure. No employee will be penalized, formally or informally, for voicing a complaint with the Board of Directors in a reasonable, business-like manner, or for using the problem resolution procedure.

If a situation occurs when employees believe that a condition of employment or a decision affecting them is unjust or inequitable, they are encouraged to make use of the following steps. The employee may discontinue the procedure at any step.

1. Employee presents problem to immediate supervisor after incident occurs. If the supervisor is unavailable or the employee believes it would be inappropriate to contact that person, the employee may present the problem to the Board of Director's President.
2. Supervisor responds to problem during discussion or after consulting with the Board of Directors when necessary. Supervisor documents discussion.
3. Employee presents problem to the Board of Directors if the problem is unresolved.
4. The immediate supervisor and the President of the Board reviews and considers problem. Once a decision has been made, the decision is then presented by forwarding a copy to the employee and places a copy in the employee's personnel file.

The Board of Directors has full authority to make any adjustment deemed appropriate to resolve the problem.

Not every problem can be resolved to everyone's total satisfaction, but only through understanding and discussion of mutual problems can employees and supervisors develop confidence in each other. This confidence is important to the operation of an efficient and harmonious work environment and helps to ensure everyone's job security.

XVIII. Termination / Resignation

Either PMPOA or the employee may initiate a termination or resignation. Pine Mountain encourages employees to provide a minimum of 2-weeks written notice prior to the intended separation date. After the Board of Directors receives a notice, an exit interview will be scheduled by the President of the Board or their designee. During the interview an exit plan will be created to pass along all pertinent information and any required closure to Pine Mountain POA privileged knowledge. All employees that received training certifications, while employed at Pine Mountain, will receive a copy of their certification for their future employment or personal records.
